Dear Mrs McQuillan

Following your recent green flag assessment I am pleased to confirm that you have been awarded your Green Flag.

I would like to congratulate you for all the time and effort that has been invested in environmental education at your school. Your award is well deserved and reflects the hard work you have put into the programme so far.

The assessor wanted us to pass on some suggestions which may help strengthen your Eco-Schools work in the future:

- Visit the Eco-Schools pinterest page for great topic ideas for when you are re-applying for your next Green Flag - there are so many wonderful ideas on how to link Eco-Schools to the curriculum - <https://uk.pinterest.com/ecoschoolsengla/boards/>
- Make use of the great resources and lesson plans on the Eco-Schools website - <http://www.eco-schools.org.uk/about-us/>

Assessor's Comments:

"What more can I say about St Edmund Campions school. There is so much sustainability and environmental work going on there it's difficult to keep up - they are doing such a great job right from the headteacher down to the nursery, everyone seems to have care for the environment and for each other at the heart of all they do. The parent governor said how pleased she was that her children have been at the school; the staff are all caring and set a good sustainable example."

Well done St Edmunds you are great people and a wonderful school. I can't sing your praises enough. Keep up the good work and I hope I get to come back again in another 2 years. Thank you for a lovely day with you".

Your green flag and certificate are enclosed. If you would like a digital copy of the logo, please email eco-schools@keepbritaintidy.org with your request.

Please note you will need to apply for your next green flag in two years' time to retain your Green Flag School status.

In the meantime, keep up the good work!

Yours sincerely
