Children enjoyed their last Bible buddies session of the year today. The older children shared the parable of the Good Samaritan with their partner in a younger year group. It was lovely to see the children using Mrs Coombs' Courtyard for this 🙏

One of our favourite events of the year today-our G14 Summit. Each year group has its own stall where they share their learning about CST. Every class in the school visits throughout the day. The stalls were interactive, engaging and all created by the c'ren themselves 🙌🌍❤️
